CIRCULAR LETTER TO ALL BRITISH COLUMBIA LAND SURVEYORS

Sir:

Re: Sec. 80, subsection (11)
Land Registry Act.

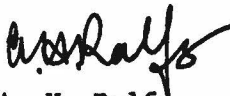

The above-noted subsection (11) which was amended in 1967 now reads as follows:-

"(11) The plan shall be accompanied by a duplicate linen tracing and a blue or white print on print cloth or, in lieu of the duplicate tracing, by one ozalid transparency or other machine-made copy of a type approved by the Surveyor-General, together with such number of other blue or white prints as may be necessary for the purpose of taxing authorities, the Surveyor-General, and the Board of the regional district in which the land is situate (if any):".

In the interest of uniformity, if the land being dealt with by the Surveyor is within or partly within a Regional District, all Land Surveyors are directed to add the name of the Regional District on the plan in the vicinity of the approval by the appropriate approving officer. Example:- "This plan lies within the _____ Regional District."

Please ensure also that the extra print for the said Regional District is included when the plan is being tendered for deposit.

Yours truly,

A. H. Ralfe,
Surveyor-General and Director,
Surveys and Mapping Branch.
