Block Outline Surveys - Circular Letter No. 309

Paragraph #3 of the above circular letter has been amended. Enclosed please find the amended version, which will supersede the original Circular Letter #309.

Survey Commitment Letter to an Applicant for Crown land

To help in speeding up the turnaround time for survey instructions, it would be appreciated if your above letter contained a P.S. to the Surveyor General stating the survey information you have on hand of the area to be surveyed.

Statutory Rights of Way Plans

Existing statutory rights of way shown on statutory rights of way plans submitted to this office must have their boundaries shown in solid lines, otherwise it will be considered a technical error and subject to the \$100 fine as per Circular Letter #312.

Survey Posts

This Branch no longer will be stocking survey posts at Government Agents' offices. When present stocks are depleted, they will not be renewed. All survey posts previously handled by Government Agents can now be ordered from Victoria by phoning 387-4461. Costs of these posts will be invoiced to the surveyor and will be shipped collect to the consignee.

Yours truly,

G. T. Mullin,
Surveyor General.
