CIRCULAR LETTER TO ALL BRITISH COLUMBIA LAND SURVEYORS

Effective May 15, 1988, all plans prepared pursuant to statute should show the British Columbia Geographic System (B.C.G.S.) designation below the title.

The six minute latitude by twelve minute longitude breakdown shall be used.

For example:

Plan of Subdivision of Lot A,
District Lot 18240, Cariboo District,
Plan 12345
B.C.G.S. 93B.018

This information is to be included in anticipation of the capability to make plan searches by geographic area (if and when available) and to readily identify the map sheet on which the plan or a parent parcel may be found.

Yours sincerely,

D. A. DUFFY
Surveyor General
and Director
