

**CIRCULAR LETTER NO. 411**

November 22, 2001

**TO ALL BRITISH COLUMBIA LAND SURVEYORS**

**Re: Official Coordinates for Integrated Survey Areas within Greater Victoria**

New official integrated survey area coordinate listings have been deposited in the Victoria Land Title Office for the following eight areas:

ISA No. 17 Victoria  
ISA No. 21 Central Saanich  
ISA No. 22 North Saanich (also - one updated official plan)  
ISA No. 29 Sidney  
ISA No. 30 Saanich  
ISA No. 34 Oak Bay  
ISA No. 38 Esquimalt  
ISA No. 40 Colwood

The new coordinate listings are the result of a major refresh adjustment process following a comprehensive special order control survey recently done in support of establishing an urban active control system within the Capital Regional District. The new coordinate listings supersede the previous listings.

Legal surveys must be integrated according to Part 5 of B.C. Reg. 229/2001, General Survey Instruction Regulation. A grace period will be allowed for surveys started prior to the deposit of the new official coordinate listings, however, all surveys forwarded to the Land Title Office for deposit on or after February 1, 2002 must comply with these new coordinates.

Yours sincerely,

Chuck Salmon  
Surveyor General and Director
