

**CIRCULAR LETTER NO. 436**

March 10, 2008

**TO ALL BRITISH COLUMBIA LAND SURVEYORS**

**Re: Surveyor General Division, Land Title and Survey Authority Fee Increase**

Effective April 1, 2008 the fees charged for certain Surveyor General Division services will be increased in alignment with the consumer price index as authorized by the Land Title and Survey Authority of British Columbia–Province of British Columbia Operating Agreement.

The new fees for these services effective April 1, 2008 will be:

- Accretion Applications \$509.00
- Natural Boundary Adjustment Applications \$254.00
- Accretion or Natural Boundary Adjustment Applications for Statutory Right of Way Plans \$254.00
- Explanatory Plan of Blocks within the Esquimalt and Nanaimo Railway Grant \$254.00
- Parcel Designation and Plan Confirmations (other than for *Mineral Tenure Act* plans) \$318.00 (per plan)
- *Mineral Tenure Act* Plan Confirmations \$106.00 per unit with a \$530.00 minimum fee per plan

The appropriate fee for electronic plans submitted through the Electronic Filing System will continue to be automatically withdrawn from the submitter's BC OnLine account.

Physical plan submissions and submission of electronic plans prepared pursuant to the *Land Title Act* and submitted to the Surveyor General Division must continue to be paid by cheque. All submissions received after April 1, 2008 must be accompanied by the correct fee.

For information about this small base fee increase please see:
