

CIRCULAR LETTER NO. 443

August 12, 2009

TO ALL BRITISH COLUMBIA LAND SURVEYORS

Re: Land Title and Survey Authority Website Update and Online Cadastre Upgrade

A new page has been added to the Surveyor General section of the Land Title and Survey Authority's website. This page, titled Information for Land Surveyors, provides links to many pages on our website that are of particular interest and use to land surveyors.

The attached link will take you to this new page:
<http://www.ltsa.ca/surveyor-general/information-for-land-surveyors>

The Authority's Online Cadastre map viewer has been upgraded with a number of enhancements including the ability to zoom to survey parcels, surveyed well sites, regional districts, municipalities and integrated survey areas. It is also possible to print maps from Online Cadastre with or without gradicules and the bar scale on printed maps will no longer obscure the legend.

The attached link will take you to Online Cadastre:
<http://www.ltsa.ca/surveyor-general/online-cadastre>

Feedback from the membership on our website is always appreciated.

Yours sincerely,

Mike Thomson, BCLS
Surveyor General of British Columbia
