Dear Sir:

Re: Integrated Survey Area No. 9.

Attached herewith for your information and file is a copy of B.C. Reg. 137/72 which appeared in Part II of the B. C. Gazette of June 15, 1972.

Henceforth any surveys commenced in Integrated Survey Area No. 9 must conform to the Official Surveys Act Amendment Act 1964 and to B. C. Reg. 240/70 being "General Instructions for Surveys in Integrated Survey Areas" which you have already received.

Copies of the Integrated Survey Plan, list of coordinates and other details of the coordinate control monuments are available on request from the Nelson Land Registry Office. Surveyors are also encouraged to check with the Engineering Department of the City of Cranbrook on questions regarding control monument locations.

Yours truly,

A handwritten signature in cursive script, appearing to read "A. H. Ralfs".
