CIRCULAR LETTER TO ALL BRITISH COLUMBIA LAND SURVEYORS

Dear Sir:

Re: Integrated Surveys.

The Co-ordinate Control Monuments in Integrated Survey Areas No. 6 (Village of Granisle) and No. 8 (District of Mackenzie) have been intensified and connected to the Geodetic network. As a result, amended plans and co-ordinates have been issued and are on deposit at the Land Registry Offices in Prince Rupert and Prince George respectively. Copies of the plans and co-ordinates are also on file with the Village Clerks at Granisle and Mackenzie.

The Co-ordinate Control Monuments in Integrated Survey Area No. 5 (Village of Elkford) have been intensified and, as a result, an amended plan and updated list of co-ordinates have been issued and are on deposit at the Land Registry Office at Nelson as well as on file with the Village Clerk at Elkford.

Surveyors are reminded, when working in Integrated Survey Areas, to check for additional monuments covered by "Supplementary Certificates" issued from this office and on file in their respective Land Registry Offices.

Yours truly,

A handwritten signature in cursive script, appearing to read 'A. H. Ralfs'.

A. H. Ralfs
Surveyor-General and Director,
Surveys and Mapping Branch.
