TO WHOM IT MAY CONCERN

This Department has just completed the preparation of a map covering the Lower Fraser Valley which shows the Permanent Survey Monuments and Control Stations, together with the co-ordinates of same.

It is felt that the information contained on this map may be of interest to you in regard to future surveys or engineering projects. In consequence I am enclosing a print of same with the compliments of the Department.

G.S. Andrews,
Surveyor-General and Director of
Surveys and Mapping.
