CIRCULAR LETTER TO B. C. LAND SURVEYORS

Sir:

Referring to my circular letter of July 21st, 1961 on the subject of restoration of old survey corners, both by the Survey Branch and by private surveyors, the number of areas requiring attention of which we have been advised, has been very limited.

This Branch would therefore like to learn of, and have on file, information about areas which are especially devoid of old district lot and section corners, particularly if there is activity in land transactions in the area and where a restoration survey effort would be of assistance to the public.

Your co-operation in providing this information is requested.

Yours truly,

G. S. ANDREWS,
Surveyor General and Director

Circular letter only to those underlined
