

**CIRCULAR LETTER NO. 427**

November 30, 2005

**TO ALL BRITISH COLUMBIA LAND SURVEYORS**

**Re: Integrated Survey Area No. 37 - City of Port Alberni  
Amended Official Plan**

---

The boundary of Integrated Survey Area No. 37 was amended by order of the Surveyor General on November 28, 2005 under section 12(1)(b), Part 2 of the *Land Survey Act*.

The official plan is an electronic map published on the Land Title and Survey Authority website at the following address: <http://www.ltsa.ca/isa/pdf/isa37.pdf> \*

Cadastral surveys lying within the amended integrated survey area must now comply with Part 2 of the *Land Survey Act* and the *General Survey Instruction Rules* to British Columbia land surveyors.

Yours sincerely,

Rick Hargrave, B.C.L.S.  
Surveyor General and Director
