Pre-approved Forms and Natures of Interest

Surveyor General

The list below contains the pre-approved forms and natures of interest for a candidate who will be electronically signing land title documents on behalf of the Surveyor General. You should use this list when completing Part 2, section B of the ASR membership application form.

If you request authorization to sign a form or nature of interest that is not on this pre-approved list, then you must provide further information about the organization’s statutory authority to submit the form by completing section C of part 2. For more information, see the [ASR Membership Guide](#).

NOTE: All approved candidates will automatically be authorized to electronically sign a **Declaration**. An approved candidate will also automatically be authorized to electronically sign a **Property Transfer Tax Form** where that form is required to be submitted along with another authorized form and nature of interest.
